New MDRC Resource for College Administrators

We are seeking a Project Coordinator for a 3 year period starting in May 2022.

We are seeking a Project Coordinator position in June. Ascendium is eager to hire for this role. The position will focus on supporting schools and districts in their transition to a more student-centered approach to education reform, with a particular focus on providing support to schools and districts that are under-resourced. Additionally, the Coordinator will work with Ascendium's team to develop and implement strategies that bolster the impact of Ascendium's philanthropy and support opportunities for learning across the organization and in the region.
